MARRIAGE TRUST TRIES TO GET BACK OLD GRAFT

Tammany Aldermen Said to Have Been Approached as War Tax Is Removed.

When the Marriage Trust was working overtime around City Hall and the Municipal Building, it cost from # up to get married. If a prospective bridegroom arrived in a motor car it might cost him five times that sum. Then came the smashing of the Trust and the announcement that marriages would cost but ten cents. the price of the war tax stamp affixed to the certificate.

City Clerk Scully announced to-day that the Government had revoked the order taxing marriage certificates.

It was reported that some of the Tammany Board of Aldermen had been approached by members of the old Marriage Trust who asked for permission to do business under the guise of regular marrying officials paid a salary by the city. If an attempt is made to reinstate the posed marriage runners there will be a fight in the Aldermanic Board. CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

Look at tongue! Then give fruit laxative for stomach, liver, bowels.

"California Syrup of Figs" can't harm children and they love it.

A laxative to-day saves a sick child to-morrow, Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs." then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is ofttimes all that is necessary. It should be the first treatment given in any sickness.

Are You Saving Money? **Evening World Starts** Campaign for Thrift

Centenary of the Founding of the First Savings Bank in America

American Bankers' Association Co-operating in Campaign to Bring Out Most Helpful Plans of Saving.

The Evening World, co-operating with the American Bankers' Association, begins to-day a campaign for pocketbook preparedness-for thrift.

It is not the easiest thing in the world to save money, but the readers of this paper during the next few months will be given every encouragement to learn how to do it.

Cash prizes amounting to \$250 will be given to those who show the most sensible plans of home or domestic financing.

Before making this offer The Evening World submitted the plan to the American Bankers' Association. The result was that the association, representing the financial interests of the entire country, gave its hearty approval and backed it up by offering \$150 to be given in prizes to Evening World readers who are able to prove that they can save and take care of their money. This action of the American Bankers' Association, through its savings bank section, is one feature of its country-wide campaign for thrift, which will be carried on throughout the year 1916 to celebrate the one hundredth anniversary of the founding of the first savings bank in the United

All signs point to a tremendous, record-breaking year of prosperity in this country this year. Millions on millions will be made, but if the best and most lasting results are to be gained, the wage earners and salary workers must learn to save and invest their surplus more sensibly than they ever have before. No thrift campaign could have been started at a better time, for there has never been a time when saving should be so easy.

It is safe to say that every reader of The Evening World has money problems. It is planned to have you write about them; tell what your income is; tell how much you spend for rent, food, clothes, &c., how much you have in the bank, what investments you have, and how much life insurance you carry. In other words, "What Do You Do With Your Money?"

The articles on this subject will be published on Wednesdays and Saturdays in The Evening World. In these columns will be discussed the most interesting letters received. All will be considered in awarding the prizes. The discussions are designed to be

The Evening World campaign is designed primarily to help men and women earning \$150 a month or less. The committee of awards will be announced later.

The American Bankers' Association offers \$150 in prizes, and The Evening World adds \$100, making \$250 in all. The prizes will be as follows: First prize, \$50; two prizes of \$25 each; five prizes of \$10 each; ten prizes of \$5 each; twenty-five prizes of \$2 each. All correspondence will be kept confidential, but it will be nec-

essary for you to give name and address. Address all letters to Thrift Editor, Evening World. KEEP LETTERS WITHIN 200 WORDS. The privilege of participating in the campaign is open to every one. There are no conditions.

SURRENDERED, AS STOLEN \$60 GAVE HIM NO SLEEP

Money Was Taken in Ohio, He Said, but He Gave Himself Up Here.

Saying he was Benjamin Torelo aged twenty-two, a man surrendered this morning at Police Headquarters. He added that he had stolen \$60 from a grocer in Everitt, O., and had been unable to sleep since.

Torelo, refusing to give names, said he was the protege of a wealthy Boston man, who had educated him as an artist. As an athlete, and to win a wager for his patron Torelo said he had undertaken to walk to Lor Angeles in 288 days, working his way. "The people in Ohio," he said, "were the meanest people in the world

Torelo said he was stranded at Evcritt, and stole the money when he had to play valet to the grocer's brother. The police are communicating with the authorities at Everitt.
